TITLE: BUILDING FOR THE FUTURE

*“And Asa did what was good and right in the eyes of the Lord his God.”*

### **I. Getting to Know You**

How did you experience God working in your life this week? How can we pray for you?

### **II. Digging Deeper**

As we consider the times in which we live, - and knowing that the present circumstances can take a turn for the worse – let’s consider the following questions:

1. What would be some examples of things that WE can do in our daily lives that would be “good and right in the eyes of the Lord”?

2. What would you consider as a “window of opportunity” in your own life during this time? How can you invest your time wisely?

3. What can we implement or fortify in order to counteract the enemy’s assault on the Gospel message?

4. Considering the fact that not knowing - or being confused about- the truth has serious implications for life, what would be some ways that we can teach truth in our homes?

### **III. Making It Personal**

5. What truth from this week’s study stood out to you most?

### **IV. Prayer**
