

TITLE: BUILDING FOR THE FUTURE

- I. Introduction – The land had rest for 10 years 1
- Asa did what was good and right in the eyes of the Lord his God.*
- A. He removed idolatry 3
- B. He commanded Judah to seek the Lord 4
- C. He said to Judah, “let us build” 7
- Conclusion: “...so they built and prospered”* 7
- II. My take-away: We don’t know for how long we will have our children with us.
- A. We need to build **SYSTEMS/STRUCTURES** to protect our children, and to expose them to the Gospel message (evangelism)
- B. We need to build **TEACHERS/LEADERS** to teach truth to our children (discipleship)
- C. We need to build **MINISTRY OPPORTUNITIES** to encourage our children to obey the Lord (service)
