

TITLE: 7 OBSTACLES TO CHURCH HEALTH

Pastor Dan Nichols

1. We are **EDUCATED** beyond our **OBEDIENCE**.
2. **EVANGELISM** became extra credit.
3. We don't expect God to **SURPRISE** us anymore.
4. We're all about independence rather than **INTER** dependence.
5. We pray for **COMFORT** more than character or conversions.
6. We **BUY** leaders instead of developing leaders.
7. We've redefined **SUCCESS** by butts, buildings, and budgets.
