LIT FEET

MESSAGE FROM PASTOR

Psalm 119:105
"Your word is a lamp unto my feet and a light unto my path."

Imagine waking up tomorrow and finding yourself in a completely foreign place. Somehow in the night you were mysteriously moved to a place you do not recognize. The plants look different, the animals look different. The people speak a language you do not understand. Unfamiliar dangers lurk in unexpected places. Somehow, you need to make sense of your new surroundings and try to survive there.

What would you do? How would you navigate it?

Human beings come into our world in a similar situation. In a sense, we find ourselves with this gift of life that we measure in units of time, and a prevailing sense that we need to do something significant with our lives. In order to satisfy that deep, persistent pull, we have to wrestle with questions like; Who am I? Where am I? Where am I going? What should I do? Without any outside help, we are left to draw our own conclusions about these critical issues. It is like walking a tightrope blindfolded in the dark knowing that any wrong step could result in catastrophe.

Fortunately, we do not have to live like this,

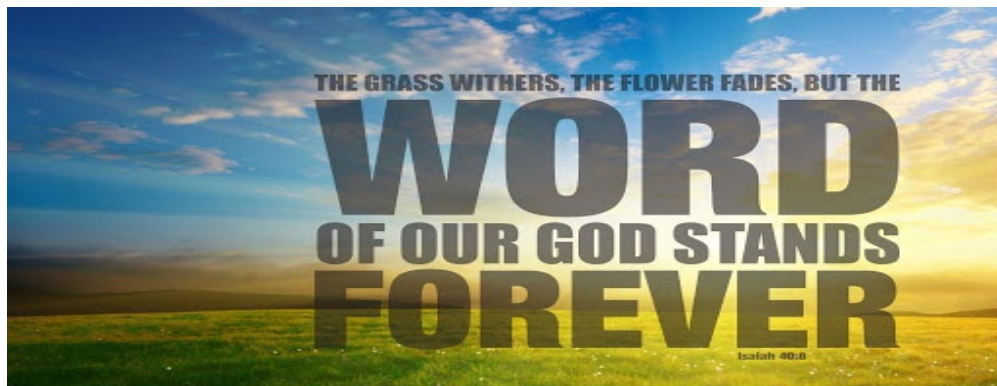

because God has given us His Word which provides the answers to all of life's big questions. God's Word reveals that we are image-bearers of Almighty God who created us to glorify Him. We are told about our fall into sin, and the redemption God offers through Jesus Christ. Armed with this information we can surrender to Christ for salvation and empowerment to confidently pursue life as God intended. As we traverse life's journey, we don't have to stumble around in spiritual blindfolds. We can be guided by the Word that shines abundant light over the path we ought to travel. We can have lit feet!

May God help us to walk daily in His light.

God bless you,

Pastor James
