

GROWTH GROUP INFORMATION

WHY SHOULD I JOIN?

If you are looking for a place to build healthy relationships, if you long to develop your understanding of the Word of God and how to apply it to daily life, then a Growth group is the place for you!

Group groups meet once per week for 8 week segments in various homes. The meetings usually last about 1 ½ hours with time for study, fellowship, refreshments and prayer. You will have the opportunity to build lasting friendships as you grow in your knowledge and understanding of the Bible.
