TITLE: MOTHERS, CHOOSE YOUR DIRECTION

Every family is heading a particular direction that will end either in calamity, obscurity or profitability. Profitability, that is, usefulness to God, is the best outcome. We learn from the example of these two mothers, that mothers get to choose in which direction they will orient their families.

- I. Mother of **Obscurity** 1-7
  - A. Pervert Motherhood into a **Weapon**
  - B. Pervert Motherhood into **Sacrilege**
  
- II. Mother of **Profitability** 8-20
  - A. Regard Motherhood as a **Privilege**
  - B. Regard Motherhood as an **Opportunity**
